Note from our Section Chair:

It has truly been a pleasure serving as section chair for 2000-2002. I'm poised to turn the reins over to our chair-elect and continue to help in any capacity that I can as Past Chair. We have an opportunity to bring SouthEastCon to Memphis in the near future which would be great, not only for IEEE Memphis Section, but for the City of Memphis as well. I wish the officers for 2003 the best of wishes in the upcoming year and continued success. I truly thank each of you for the opportunity to serve.

Marlin D Gines
IEEE Memphis Section Chair
