RECOGNITION DINNER SET FOR BR. PHILIP MORGAN, P.E.

The School of Engineering at Christian Brothers University will host a Recognition Dinner honoring Brother Philip Morgan, P.E., for his lifetime contribution to the school and the engineering profession. Br. Philip was Chairman of the IEEE Memphis Section in 1962-63 and Chairman of the IEEE Region 3 Student Activities Committee 1961-62 and 1970-73. He was our Featured Engineer in 1965 and the recipient of numerous other IEEE awards. He was very active with IEEE, TSPE, and MJEC for many decades.

The dinner will be on Thursday, October 4, 2001, at the Ridgeway Inn, 5670 Poplar Avenue (cocktails at 6:00 p.m., dinner at 7:00 p.m.). The cost is \$150 per person. The proceeds from this dinner will be used to establish the Engineering Lab Endowment at CBU. If you are interested in attending the dinner, please contact Pong Malasri at 901-321-3419 or pong@cbu.edu.

Call for Professional Advisors:

The University of Memphis chapter of IEEE is growing and striving to help its members meet the challenges of an invigorating Electrical Engineering education. For the 2001-02 school year, we are planning to initiate a peer-advising program for underclassmen. We see this personal mentoring as an invaluable asset in recruiting and retaining new members.

We also plan to treat our members to an array of professional speakers this year. We are eager to begin this year with engaging programs, and hope to bring in speakers from our Memphis affiliates in IEEE. We appreciate all of your professional and personal support of our growing chapter.

Please contact Dr. Michael L. Daley @ (901)678-3254.
