### EMBS of Memphis announces:

The Joint Graduate Biomedical Engineering (BME) Program of University of Memphis (UM) & University of Tennessee (UT) Health Sciences Center has weekly seminars at 3:30p.m. on Fridays at UM campus during the spring semester and at UT campus during the fall semester. We welcome engineers and students from disciplines to attend our seminars. For information about the seminars can be obtained from our web site <http://memphis.mecca.org/bme/seminars.html>

If you have interest in learning about the full-time and part-time MS and PhD studies and job openings in our program, please visit our web site <http://memphis.mecca.org/bme/> or call 901-678-3733 or 901-448-7099.

**IEEE FISH FRY/PICNIC****November 8**

The Memphis Section of IEEE and the Christian Brothers University Student Branch are hosting a fish fry picnic for all members of the section -- professional and student -- and their families on Saturday, November 8, 2003, on the campus of CBU. This is a great opportunity to get to meet your fellow engineering professionals and enjoy the fall weather.

The menu includes fish, hushpuppies, french fries, onion rings, cole slaw, and dessert -- all prepared by your section officers. Soft drinks are also provided.

For entertainment, we have both indoor and outdoor activities for adults as well as children, including bingo with prizes and what should be a very interesting game of Win, Lose, or Draw! Depending on the weather and interest, we hope to have volleyball, horseshoes, and bocce, and the CBU softball field is available for a game (be sure to bring your glove).

For those who just can't get enough of that electrical stuff during the week, we even have "engineer games" -- a GPS scavenger hunt and radio-controlled vehicle races. (Bring your own equipment, please!)

The picnic runs from Noon to 3:00 PM, rain or shine, and will be held at the Nolan Engineering Building at the southeast corner of the courtyard. The CBU campus is at the corner of Central Avenue and East Parkway South in Memphis. Parking is available in the large lot entered from Central Avenue.

Ticket prices in advance are only \$ 5/person or \$10/family (up to 4)! Please send your check before November 3 to:
